

DONATE TO THE FLORA OF VIRGINIA PROJECT

The Flora of Virginia Project is evergreen, requiring ongoing attention to keep data up-to-date, add new features and functionality to the App, and to support professionals, educators, and enthusiasts working to conserve Virginia's botanical heritage.

Support our Evolution!

- We are in the process of moving Flora data to from a 63,000(!) cell spreadsheet to a custom database on a institutional platform.
- Ensures the data will secure, sustainable and accurate into the future.
